### CREATIVE MOBILE ART MASTERY

This bundle combines two separate courses by celebrated authors:

- *Mobile Art Mastery* – Susan Tuttle (US)
- *Adventures in Creative Mobile Artistry* – Nicki Fitz-Gerald (UK)

Each of these is a powerful and comprehensive course—in and of itself—on crafting stunning works of art on the iPhone. The combination of the two (along with a wealth of pro-designed bonus content) will transform your creative life forever by making every day a celebration of visual artistry.
